

The Third International Conference 2011 Microwaves, Radar and Remote Sensing Symposium

Kiev, Ukraine, August 25 – 27, 2011

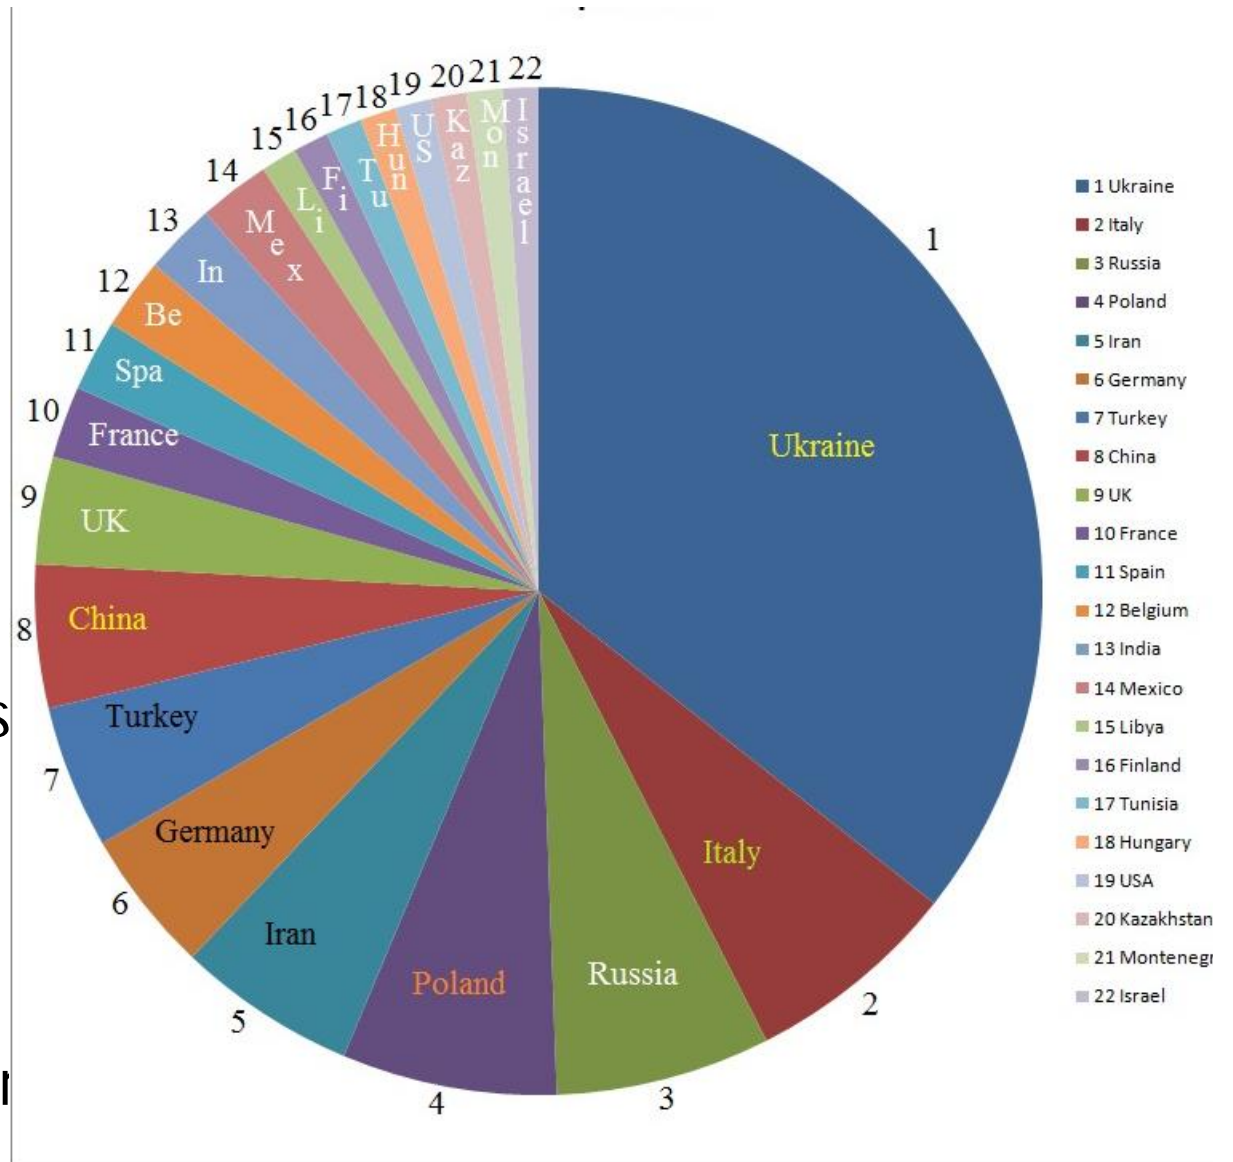

FINAL REPORT

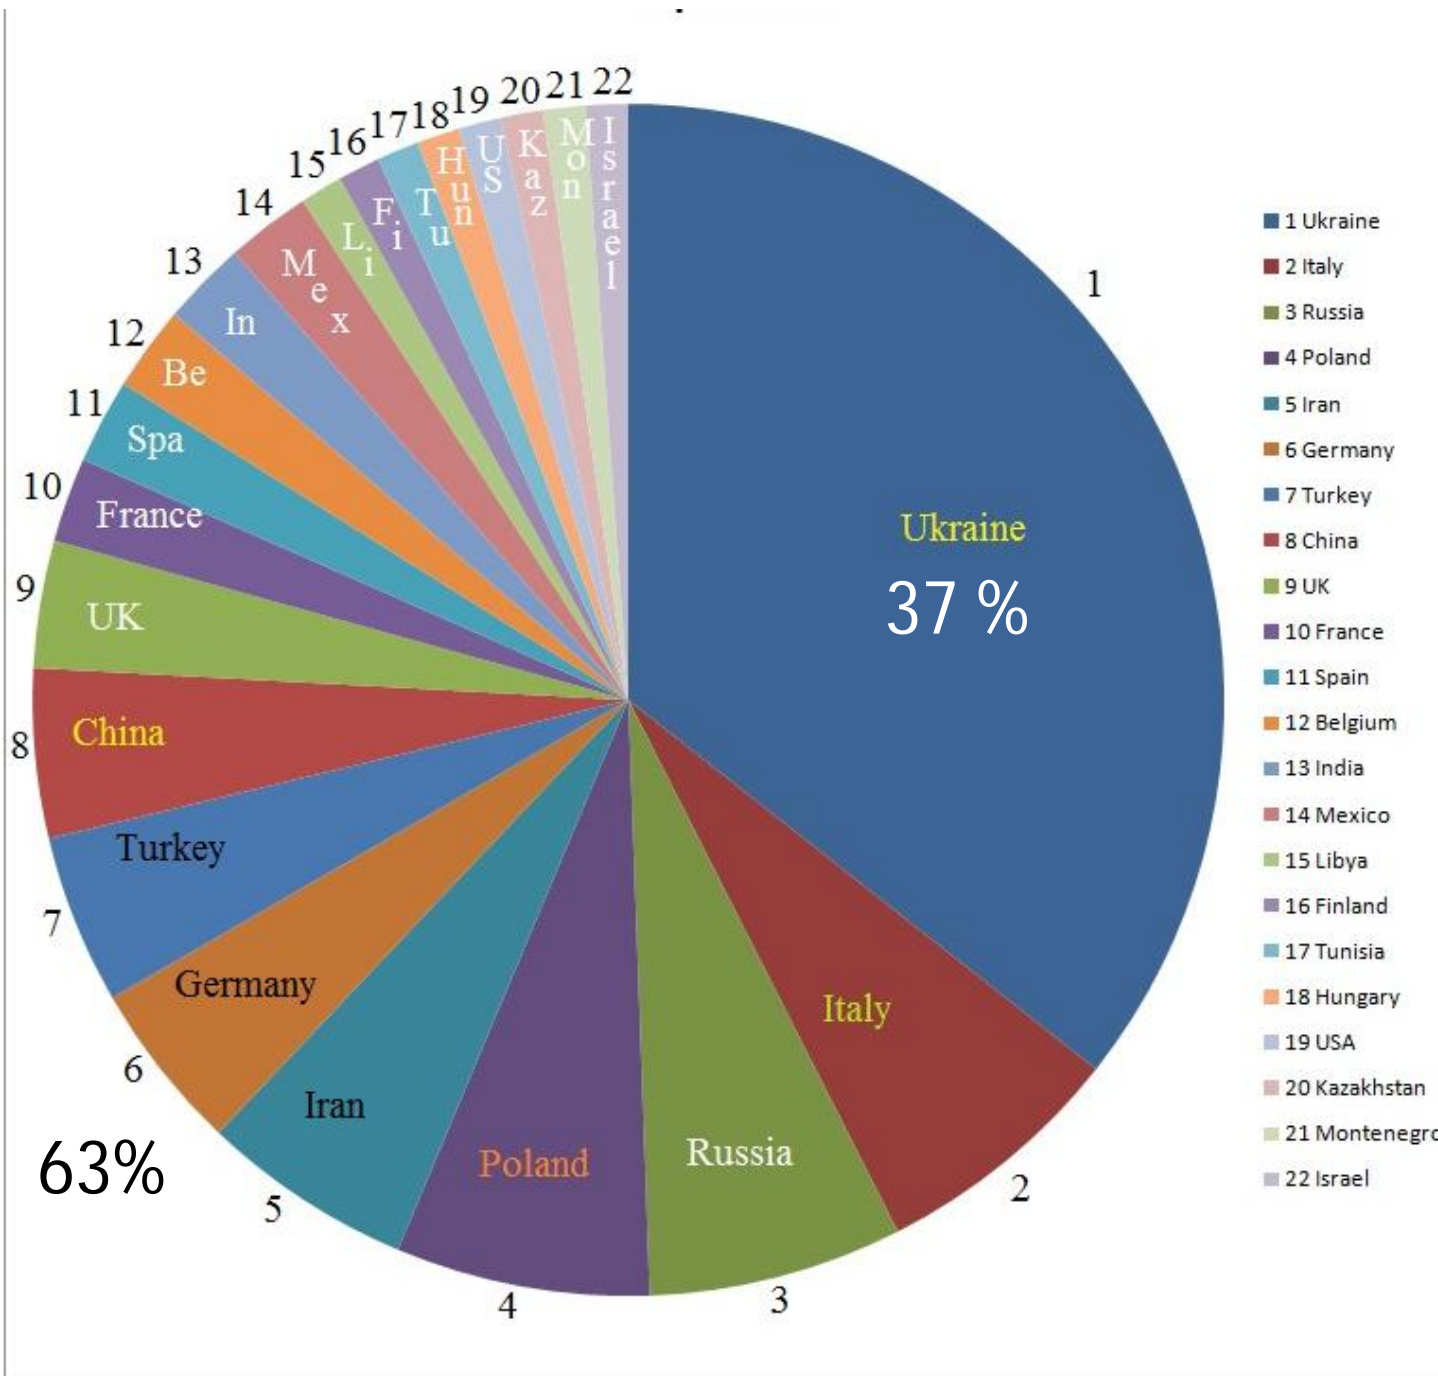

IEEE Central Ukraine
Joint Chapter

- 88 papers
- 121 participants
- 23 countries
- 2 plenary sessions
- 15 oral topical sessions
- 1 poster session
- 11 Invited speakers
- IEEE Xplore accepted the materials (88 papers)

The biggest number of participants from:
Ukraine, Poland, Italy, Russia, Germany

The biggest number of participants from:

- Ukraine
- Poland
- Italy
- Russia
- Germany

Young Scientist Contest - EuMA AWARD

- Certificate
- Free Membership in EuMA
- 1000 Euro fund provided by EuMA:
 - One First Prize – 300 Euro
 - Two Second Prizes – 200 Euro
 - Three Third Prizes – 100 Euro

WINNERS:

Third Prize – Piotr Samczynski , Poland
Marco Restano, Italy
Miroslaw Gruszczynski , Poland

Second Prize – Oksana Semenova, Kiev, Ukraine
Stefan Brisken, Germany

First Prize – Anna Linkova, Kharkov, Ukraine

Award committee:

Krzysztof Kulpa (Poland) – Chairman
Oleg Drobakhin (Ukraine)
Gaspare Galati (Italy)
Gerhard Greving (Germany)
Daniel Pasquet (France)
Robert McMillan (USA)
Jozef Modelski (Poland)
Roberto Sorrentino (Italy)
Almudena Suares (Spain)
Joachim Schiller (Germany)
Alexey Vertii (Turkey)
Alexander Nosich (Ukraine)

Encouraging Prizes:

For the most long trip to Kiev - Robert McMillan, Florida, USA
For the first submitted paper - Heiner Kuschel, Germany
